NEWSLETTER Autumn 2026

Friday 23rd October 2026 – Vendredi 23 Octobre 2026

School Representative Training

Our newly appointed school representatives took part in specialist training to help them understand their important role within the school community. The session encouraged them to think about leadership, speaking confidently in front of others and how they can help make a positive difference across the school.

Working and Learning Together

Our Reception children spent time thinking about the ways we can work and play together. Creating our class agreement helped everyone understand how kindness and respect help our classroom shine. We also worked together to create a messy map of our local area, helping us learn about the places that are special to our community.

CATHOLIC LIFE

From the smallest details to the widest views,
God's creation offers endless opportunities for
wonder, and exploration and discovery.

E xploring God's Wonderful World

A Sense of Wonder

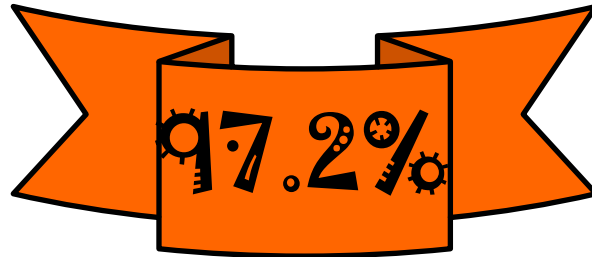

Each day brings opportunities to explore,
experience and appreciate the world around
us, encouraging curiosity, awe and grati-
tude for God's gifts.

WHAT ELSE WE'VE BEEN UP TO...

Little Hands, Big Discoveries!

As our nursery children settle into their new surroundings, every moment brings an opportunity to explore, create and grow. Through playful dough activities, they are strengthening little fingers, expressing their creativity and building confidence as they discover the joy of learning together.

A Cosy Corner for Little Bookworms

Every book opens a door to new ideas, wonderful stories, and endless possibilities. Through shared reading and independent exploration, our little learners are building a love of books that will grow with them

A splash of colour, a touch
of imagination and a
world of possibilities!

WELL DONE TO ALL OUR CHILDREN FOR SETTLING
BACK INTO SCHOOL SO WONDERFULLY THIS TERM!

Little Learners, Big Outdoor Adventures

The great outdoors is a wonderful classroom, where curiosity leads the way and learning comes to life through play. From whipping up muddy creations in the mud kitchen to exploring numbers and making marks with chalk, our nursery children are discovering that exciting learning opportunities can be found all around them.

THANK YOU TO ALL OUR FAMILIES FOR THEIR
KIND DONATIONS THIS TERM.
YOUR GENEROSITY AND SUPPORT ARE TRULY
APPRECIATED.

Meet Our School Leadership

A visit to the Headteacher and Deputy Headteacher helps our children get to know the people who guide and support our school.

Getting to know our school

Making Tasty Choices

Our Reception children are learning to make their own lunch choices with the help of our kitchen team and Mrs Barnes, building confidence and independence one choice at a time.

Little Helpers in Training

Our Learning Mentor introduces the children to the printer, showing them how everyday equipment helps our school run smoothly.

A Peek Behind the Scenes

Our caretaker Kev makes sure the children have their milk ready for breaktime, helping keep our school running every day. **Kev to the Rescue!**

Woodland Wonders with Year 1

Woodland Wonders with Year 1

Year 1 enjoyed a day full of outdoor adventures with Dave from *Best Day Ever*, turning the Forest School into a space for discovery, creativity and teamwork.

From collecting different types of twigs and creating stick people to building with blocks and taking part in exciting games, the children discovered that some of the best learning happens when they explore, experiment and work together.

IT'S WONDERFUL TO SEE OUR PUPILS LIVING OUT OUR SCHOOL VALUES EVERY DAY, WITH LEARNING, KINDNESS AND RESPECT IN ACTION
